The Engine Room wines are purely a product of imagination and a willingness to be different. Crafted from pondered moments, pressing times and late nights. Great wine doesn't just create itself; it's the inspirations; the state of mind; the process.

### Winemaking Background

'Blanc de Blancs' is a French term meaning "whitest of whites" and is commonly used to describe a sparkling wine made from 100% Chardonnay grapes, rather than the more traditional Chardonnay and Pinot Noir blends.

### Tasting Notes

**Colour:** Medium straw with fresh green hue.

**Aroma:** Delightful apple and zesty lime notes flourish on the bouquet.

**Palate:** Fresh and vivacious, nuances of refreshing lemon and stone-fruit flourish in this bright and lively wine, which finishes with a clean acidity and elegant bead.
